

## **March Monthly Update, 2010**

***“A low prayer, a high prayer, I send through space.  
Arrange them Thyself, O Thou King of Grace.”***  
*From The Poem-Book of the Gael*

**Dear Parents,**

*Ancient Celtic Christians whispered prayers throughout their days believing that God was evident in the mundane activities of their lives, and in all of Creation. They talked to Him in the morning as they started their peat fires, throughout the day's hard work, and as the sun settled on the horizon. Praying through the day, as Christians have for centuries, connects us to the infinite love and care God has for us.*

*As parents, we all have concerns, hopes and decisions that come to us throughout the day regarding our children. Many of our hearts vulnerabilities are with our children and the prayers that we, “send through space”. We can be confident that he will hear our prayers and, love and care for us and our children.*

### **God of All**

*Our God is the God of all,  
The God of heaven and earth,  
Of the sea and of the rivers;  
The God of the sun and of the moon  
And of all the stars;  
The God of the lofty mountains  
And of the lowly valleys.  
He has his dwelling around heaven and earth,*

*And sea, and all that in them is.  
St. Patrick*

*Sincerely,  
Amy Chauncey*
