

November Monthly Update, 2008

Rabbit twitched his twitchety ears on a twinkling autumn day. He could hear the North Wind whistle, and he scampered off to say: Hurry, hurry, hurry, hurry, we must all get fat and furry. Not a moment to be lost—I can hear bold Jacky Frost.

Dear Parents,

An autumn chill is in the air and the animals are getting fat and furry...we are also getting ready for winter and the holiday seasons. Please make a note of the upcoming community opportunities.

Monday, Nov. 3, 12:15-1:15 Plan with other Deerstream families to bring a lunch and play on the playground after picking up your children in the carpool line.

Monday, Nov. 3, Meeting of the Board of Trustees. Contact Kelli Schaad for more information, 240-4393.

Wednesday, Nov. 19, 9:15-10:15 Registration for second semester afternoon sessions. We will be offering a continuation of the same classes: Café and Play (k-8th), Chorus (K-5th), Field Games (3rd-5th), Financial Life Skills (6th-8th), and Art (7th and 8th grade). New students are welcomed and do not need to be enrolled in other Deerstream classes to attend! The registration form is attached.

Wednesday, Nov. 26, NO MORNING OR AFTERNOON CLASSES. See you on Monday, Dec. 1 when classes resume.

Picture Packets: We will send home individual packets as soon as we get them from John Elkins. Very, very cute class pictures will be in Amy Chauncey's office for you to see. Orders should be returned to the classroom teacher by the middle of November to be back before our Christmas break. For retakes please contact John directly.

Harris Teeter VIC card: Our number is 5025 if you would like to link your VIC card to Deerstream. Please tell the cashier when you check out.

It appears to me that the carpool line has settled down and is a reasonable and safe way to load students into cars. We will continue to expect all parents to use the pick-up line. Thank you for being patient as we learned what worked well.

Sincerely,
Amy Chauncey
