

## **November Monthly Update, 2009**

*The mission of Deerstream Learning Center is twofold: To provide a classroom experience for homeschoolers, taught in a Christian environment by qualified faculty and to offer parents support and encouragement for their own teaching.*

### **Dear Parents:**

We had our first Parents Coffee last Wednesday and six moms came to visit with each other. It was a friendly gathering with talk of curriculum, read alouds, the pick-up line, and other homeschooling topics. I enjoyed hearing about the things that are going well and things that need tweaking. Please plan to join us on Wednesday, Dec. 2 at 9:15 for a few minutes. We hope that you will be encouraged by sharing your successes and struggles with other homeschooling parents.

Sincerely,  
Amy Chauncey
