

April and May Monthly Update, 2011
Chapel Hill

Dear Parents,

I have included the monthly reminders for April and May because our Easter break is so late in the year. Please carefully read over the information because there are a few noteworthy changes, for example, an exciting new location for our picnic.

We are looking forward to a strong finish to the school year. To those families moving on to new educational settings, we wish you well and hope our paths cross in the future. To those that are returning in the fall we will look forward to seeing how much your children have grown when classes start in September.

Sincerely,
Amy Chauncey
